

Psalms 109-118 discussion questions:

1. In Psalm 109:30 says ***I will greatly praise the Lord with my mouth; Yes, I will praise Him among the multitude.*** We have seen many references to using our mouths to praise God, thank God, to tell of His deeds, to make Him known. How can we incorporate that regularly into our everyday lives?
2. Psalm 110 is the most quoted Psalm. Where is it quoted in the New Testament?
3. Many Psalms (and Proverbs) speak of fearing the LORD. (Ex. - Ps. 111:12; 112:1) What does it mean to fear the LORD?
4. Did you find a good psalm or two to personalize and pray this week?
5. Can you see how Ps. 118 would be a great Psalm for corporate worship? If time permits, read Ps. 118:1-9, 22-26, 28-29 aloud together.
